

SPINK COUNTY DRAINAGE BOARD  
January 17, 2012

The Spink County Drainage Board met on January 17, 2012, at 10:15 AM. Dave Albrecht, Jeff Albrecht, Jerry Zerbel, Brian Johnson, and Kimberly Markley, Drainage Administrator were present. Visitors Mike Sentell, Cornwall Township Clerk, Patrick & Matthew Van Buskirk were also present. Craig Johnson was absent.

Jeff Albrecht made the motion to approve the agenda, seconded by Jerry Zerbel. Motion carried. Brian Johnson made the motion, seconded by Jeff Albrecht, to approve the minutes from December 13, 2011.

Discussion was held on a Petition for Dispute Resolution filed by the Cornwall Township Clerk in regard to drainage work completed in SW  $\frac{1}{4}$  12-114-62. Patrick & Matthew VanBuskirk explained that they had removed trees and a fence line and back sloped the area and did not feel the work would cause any problems. Mike Sentell discussed concerns with the township road. No agreement was reached so a hearing will be held February 14, 2012 and notice will be given in accordance with 6.10.

Markley questioned the board about two permits that were issued. It was the consensus of the board that moving the outlets will be OK on permit #10-2011 if the additional signature is acquired and permit #7-2011 could not add additional fields or acres that were not on the original application because it would change the scope of the project.

Markley reported that a permit was issued to Noethlich Brothers SW $\frac{1}{4}$  23-117-60 and NW  $\frac{1}{4}$  26-117-60.

Brian Johnson made a motion to adjourn as Spink County Drainage Board and reconvene as Spink County Commissioners at 10:30 am, seconded by Jerry Zerbel. Motion carried.
