

SPINK COUNTY DRAINAGE BOARD

The Spink County Drainage Board met March 20, 2018 with board members Dave Albrecht, Jeff Albrecht, Cindy Schultz, Suzanne Smith and Kimberly Markley Director of Equalization present. Guests were Larry Nielson and Brian Schone.

Motion was made by Cindy Schultz to approve agenda seconded by Suzanne Smith. Motion carried. Motion was made by Jeff Albrecht to approve minutes from December 20, 2016 second by Suzanne Smith. Motion carried.

Larry Nielson explained a proposed drainage project in SW $\frac{1}{4}$ 5-114-64 involving a vested drainage ditch and possible installation of drain tile. The question before the board was if this project required a new drainage permit. Mr. Schone did not have concerns with this project. A motion was made by Jeff Albrecht to approve this project with the signatures from affected land owners and township board. Seconded by Susan Smith. All members voted aye.

Mr. Nielson explained the second phase of the project with drain tile being installed on SE $\frac{1}{4}$ 5-114-64 and S $\frac{1}{2}$ 4-114-64. A pump would be installed in SW $\frac{1}{4}$ of 4-114-64 and the water would flow into a depression in SE $\frac{1}{4}$ 4-114-64. Mr. Schone expressed concern because he has land adjacent to parcel receiving the water. Data is still being gathered on the part of the project.

Motion was made by Jeff Albrecht to adjourn as Spink County Drainage Board and reconvene as Spink County Board of Adjustment, second by Cindy Schultz at 10:58 AM. Motion carried.
