

SPINK COUNTY DRAINAGE BOARD
June 11, 2013

The Spink County Drainage Board met Tuesday June 11, 2013 at 9:40 am with board members Dave Albrecht, Jeff Albrecht, Cindy Schultz, Pat Kramp, and Craig Johnson present. Also in attendance were Kimberly Markley Drainage Administrator, Joe & Gwen Jandel, Terry Hansen and Derek Keeling, *Redfield Press*.

Motion was made by Pat Kramp to approve agenda seconded by Craig Johnson. Motion carried. Motion was made by Cindy Schultz to approve minutes from March 26, 2013, second by Pat Kramp. Motion carried.

A Petition for Dispute Resolution was filed by Joseph Jandel for a drainage way that was filled in. The dirt/material that was in the old railroad bed was spread out in the area leaving a lower berm without the water way through it in the SE ¼ 36-117-65. Mr. Jandel explained that he is concerned that filling in the drainage way will flood his farm. Mr. Hansen explained that the old railroad bed was removed to prevent more snow damage to his fence. After discussion with the board it was agreed that Mr. Hansen will dig a trench through the area where the old railroad used to be so the water can drain toward the dugout.

The board reviewed the list of drainage permits that have been issued for 2013.

Motion was by Pat Kramp to adjourn as Spink County Drainage Board and reconvene as Spink County Planning & Zoning Board, second by Cindy Schultz. Motion Carried.
