

SPINK COUNTY DRAINAGE BOARD
July 31, 2012

The Spink County Drainage Board met on July 31, 2012, at 10:30 AM. Jeff Albrecht, Dave Albrecht, Brian Johnson, Jerry Zerbel, Craig Johnson, Larry Tebben and Kimberly Markley, Drainage Administrator were present. Guests present were Daelyn Dirksen, Richard Worlie, Ron Clemensen, Danny Miles and Brock Klapperich.

Craig Johnson made the motion to approve the agenda, seconded by Jeff Albrecht. Motion carried. Brian Johnson made the motion, seconded by Jeff Albrecht, to approve the minutes of July 17, 2012.

Markley reported no drainage permits were issued.

Daelyn Dirksen and Benton Township Board members Richard Worlie, Danny Miles and Ron Clemensen met with the Drainage Board to discuss if Dirksen is now in compliance with the November 29, 2011 decision to: "stop any work without a drainage permit and return the area to the original grade, which is lower than the road by September 30, 2012". Mr. Dirksen reported that he had removed the dirt from along the road right of way onto his land. Benton Township Board does not agree that Mr. Dirksen has returned the area to the original grade by moving the dirt into the field. Mr. Dirksen requested direction on exactly what must be done to satisfy the board. The consensus of Spink County Drainage Board was that Mr. Dirksen convinces them that the work has been done by September 30, 2012.

Markley provided information from NRSC on meetings coming up that may be of interest to the board.

Brian Johnson made a motion to adjourn as Spink County Drainage Board and reconvene as Spink County Commissioners at 11:20 pm, seconded by Jerry Zerbel. Motion carried.
